Dear Madam

**REQUEST FOR DISCLOSURE OF KAMBADWE AND MWANAALIRENJI
ENVIRONMENTAL AND SOCIAL IMPACT ASSESSMENTS (ESIAs) ON THE
MINISTRY'S WEBSITE**

SVTP revised and updated the Environmental and Social Impact Assessments (ESIAs) for Kambadwe and Mwanaalirenji irrigation blocks. The documents were developed using the World Bank guidelines to incorporate the Environmental and Social guidelines from the African Development Bank.

The updated ESIA Reports were cleared by AFDB on 27th May, 2026 with a condition that SVTP should disclose the documents on our website and share the link with the Bank. However, the SVTP website is currently not operational due to a hacking attack, hence our request for support from your ministry to disclose on our behalf as the we work towards restoring the project website.

Sincerely,

A handwritten signature in black ink, appearing to be 'L. Gomani'.
